

Aloha Parent,

I, parent of \_\_\_\_\_(Child's name) understand completely Big Island HYSA's general league policy of playing up as a player, as such it states, "Big Island HYSA limits the age difference to no more than a 3 year-age difference to play up."

With understanding the above policy, I \_\_\_\_\_(parents name) feel comfortable and will not hold Big HYSA responsible for any accident/injury that may occur with my son/daughter as they play with kids who could be older by a 2 or more year age difference.

Thank you,

\_\_\_\_\_(parents name)
